**Summary of reasons
for classification:**

The console game entitled *Outlaw Tennis* is classified as:
Unrestricted: Suitable for mature audiences 16 years of age and over.

The game was submitted by the Department for Internal Affairs, to determine whether it should be classified as a restricted publication. It is a sport-based console game parodied with bizarre and edgy 'urban' settings and humorous characters. Although the game deals with matters under s3(1) of the FVPC Act in that it employs some sexualised and violent aspects to the game-play, this is of a low-level that does not require restriction to prevent injury to the public good. The game is therefore classified unrestricted, but recommended as being more suitable for more mature audiences.
